

## Town of Morinville Curbside Recycling

The Town of Morinville's curbside recycling program allows residents to put out an unlimited amount of household recyclable materials for pick up on a weekly basis.

Your recycling will be collected every Wednesday so please ensure your blue bags and cardboard are placed at the curb by 7:00 am.

There is no need to separate your recyclable materials as all items can be placed in the blue bag with one exception – clear glass. Residents are required to purchase their own blue bags for “co-mingled” recycling.

Clear glass jars must have the lids and labels removed, they must be rinsed and placed next to the blue bag for collection. It is recommended that you use a dedicated container for this purpose and please mark it “DO NOT THROW OUT” so that the solid waste collector does not take the container as well. All other glass types will not be collected and should be taken to the bottle depot for refund.

**The following is a list of acceptable materials that can set out for recycling every week:**

- > Flattened cardboard – to be set under the blue bag. If you have a lot of cardboard, bundle, tie and place it beside the blue bag
- > Flattened cereal and food boxes
- > Flattened boxboard (shoe boxes, etc.)
- > Newsprint and heavy paper
- > Computer and writing paper
- > Low grade paper (cardboard, egg cartons, etc.)
- > Magazines and glossy flyers
- > Tin cans (rinse containers, remove labels, tuck lids inside)
- > Other recyclable plastic containers (plastic or metal)

**The following can be taken to your local bottle depot for refund:**

- > Plastic milk jugs and waxed cardboard milk containers
- > Plastic pop and water bottles (lids removed)
- > Pop cans
- > Juice boxes

**PLASTIC OIL JUGS, TOYS, VINYL SIDING AND STYROFOAM ARE PROHIBITED MATERIALS AND ARE NOT RECYCLABLE.**

# Recycle My Cell Program

Why recycle? Keeping your cell phone out of the local landfill helps the environment and supports some great causes. A small effort on your part makes a big difference.

Recycle My Cell is a national industry initiative led by the Canadian Wireless Telecommunications Association (CWTA) along with its members (wireless manufacturers and service providers) to raise awareness about mobile device recycling.

Recycle My Cell increases consumer awareness of the recycling initiatives currently provided by service providers and manufacturers. The goal of this program is to minimize the number of handsets entering Canada's landfills

Drop Off Locations – Morinville

Star Communications – 9918 100 Street, Morinville, Alberta, T8R 1K8

## What you should know before recycling your device:

Before you mail or bring your mobile devices to a drop-off location, please ensure that:

1. The account for the device has been fully paid and service has been deactivated.
2. Any headsets and chargers for the device are included with your donation (These accessories also contain recyclable and salvageable materials).
3. The SIM card is removed if there is one.
4. If mailing your used device, be sure that the device and its accessories are packaged in a box or envelope using protective materials and securely attach a label to the box or envelope with its barcode visible.
5. Any personal information is erased from your device, including text messages, contacts and personal files. You can use the [Cell Phone Data Eraser](#) by ReCellular, Inc. (available for free), to help ensure your data has been cleared. Phones cannot be reclaimed at a later date.
