

Roseridge Waste Management Center

55431 RR251 (2km east of Morinville on Hwy 642)

ROSERIDGE

Phone: 780-939-5678 | **Email:** info@roseridge.ab.ca

Hours: Mon-Sat 9 am-4:45 pm | **Closed:** Stat Holidays

Services at Roseridge

- **Recycling made easy:** Single Use Products, packaging and paper (PPP), including rigid plastics paper, cardboard, tin & aluminum food cans, glass jars, plus Hazardous Special Products (HSP)
- **Organics to compost:** Your green cart materials and yard waste collected in the bins are processed into free, nutrient-rich compost for your home gardens (seasonal)
- **Reuse Building:** Drop off or pick up wood furniture, bicycles, sporting goods, and building materials
- **Community Resource Zone:** Firewood, pallets, and field stones available to take or leave. Located just inside the gate — no need to cross the scale
- **Specialty drop-offs:** Safe disposal of concrete, metals, tires, paint, electronics, used oil and filters, propane tanks, and trees & branches. Check with staff for other accepted items.
- **Household Hazardous Waste Events:** Twice per year: spring in Morinville and fall in Gibbons

Your Residential Disposal Permit

- Get your RFID card at your Municipal Office when you set up your utilities
- Hold it out your window at the scale. The reader picks it up without you needing to exit your vehicle
- Each visit is recorded, helping Roseridge track materials and turn more waste into compost, recycling, and resources
